

Happy New Year to our Camper Families!

Some very good news: we have been working hard to reduce the cost of our much anticipated Tuscany trip for High School campers during Term 2, 2008. We have visited with many of you and we are glad you agree with us that 14 days in the most spectacular part of Italy would be an unparalleled experience for your children.

To our way of thinking, an important feature of this trip is the fact that we will have a home base to come back to every night. However, the logistics of having a home base added some cost to the trip so we have worked with the travel agent to re-arrange the itinerary thereby reducing the cost to a more manageable sum. We have removed two sightseeing days from the original itinerary, the flavor and ambience of which are seen elsewhere in the program so that campers will still get the essence of Tuscany that we have striven to provide for them **and** will have the luxury of not living out of a suitcase! As a bonus, campers will depart on Sunday instead of Friday and will be at camp for the Big Time Saturday Night Dance.

The shortened itinerary and Sunday departure resulted in a \$1000 reduction in the cost of the trip! \$5000 for a three-week experience; CBS for a week and then the privilege of living the dolce vita in Italy! As we are only five months away from our departure date, this price of the trip will only hold for two weeks. Therefore, if you are interested, we will need your completed application form, deposit and signed C.E. Terms of Conditions Form no later than February 1, 2008. Please note all of these documents can be found and downloaded on the camp website.

Please don't hesitate to call us with any questions. We're looking forward to traveling with you this summer!
